

May Finances

The finances for the month of May are complete.

For May, our General Giving continued to fall short of budget. For the month we were \$46,000 under, giving us a total year to date of \$259,000 under. Year to date we are \$4,000 above this same point last year. Preliminary numbers show that we will be close to budget in June, but a bit short.

Our Disbursements for the year are \$34,000 above budget.

We will continue to make any necessary adjustments to balance our projected expenditures with our income to insure financial balance for the church.

If you have any questions about the church's finances, please feel free to contact Jim Pritchard at jimpritchard@centralchurch.com or 255-8102.
